Student Library Tours

These will soon be opened up for student booking, and the form will be updated shortly.

Proxy Borrower Service

The proxy borrowing service is available for anyone who is self-isolating, or cannot access the library buildings due to disability, chronic conditions and/or caring responsibilities.

To nominate a proxy borrower please complete this [form](#).

- The proxy borrowing service allows another member of staff or student at UWTSD to collect your borrowed books on your behalf.
- You will receive an email to your UWTSD account notifying you when an item is available for collection by your proxy. You can then let your proxy know.
- The proxy borrower can also return books on your behalf. You are responsible for the payment of any fines accrued.
- For those students based at the Dynefor Campus the option is available to nominate 'Operations' as your proxy borrower, to facilitate borrowing from Y Fforwm Library. Operations will collect your items from Y Fforwm and bring them to the Dynevor reception. The Dynevor reception is open between 10am and 2pm on the Tuesday or Thursday. You can also return books by dropping them at reception so operations can arrange for them to be returned to Y Fforwm.
- You can cancel your proxy borrower arrangement at any time, email library@uwtsd.ac.uk, otherwise this arrangement will remain in place up until the end date you indicate on the form.

Remember that the online library is available to all staff and students, 24/7.

Online Resource Lists

As of the end of August 2021, 82% of the 60 reading lists in Psychology and Counselling have been uploaded to Leganto as Online Resource Lists.

We would like to thank the academic staff for their continued engagement and support in this ongoing project and to encourage them to carry on adding their reading lists to Leganto and ensuring they are kept up-to-date.

If any new staff require training with Leganto or if any staff have any queries regarding it, do let us know.

Digital Skills

The new Digital Skills website is up and running. It features a Discovery Tool, which can assess your digital skill levels and Structured Learning to develop your digital skills along the six capabilities in the Jisc Digital Capabilities model: [Structured Learning - UWTSD Digital Skills](#)

InfoSkills Sessions

Currently running InfoSkills sessions for new and returning students, which can be booked with either myself or Alison Evans (alison.evans@uwtsd.ac.uk), who covers the Carmarthen and Swansea campuses for IEH.

In addition, smaller, more informal groups and 1-2-1 sessions can be booked by students

SCONUL Access

The SCONUL Access scheme is back up and running. For full details and a list of participating libraries, go to: [SCONUL Access | SCONUL](#)
