Grant Declaration Form

The following Grant Declaration Form outlines the conditions of your grant payment. Please ensure you fully understand the information and contact us on outwardmobility@uwtsd.ac.uk if you have any concerns or questions.

You should note the following information in relation to your grant payment:

- Grant rates will be determined based on the country in which you study and calculated on a monthly amount for this country 'group'. These rates are calculated in line with the UK Government's Turing Scheme. You can view full details of this and a full list of country groups and funding amounts on the Turing Website.
- You do not need to apply for this funding, it will automatically be awarded to all students who undertake a placement abroad upon successful enrolment and completion of all required documentation, as advised by the outward mobility team.
- You will receive 80% of your allocated grant at the start of your placement once you have submitted your 'Upon Arrival' online form and all subsections of this form. The remaining 20% of your allocated grant will be paid after your placement once you have submitted your 'After Placement' online form and all subsections of this form. The outward mobility team will review this submission prior to paying the grant.
- Grant payments will take up to two weeks to process by Finance.
- You must complete all of the required forms within the advised timeframes and deadlines.
- The outward mobility team will contact you with full details of your allocated grant amounts prior to departure and the process for these payments.
- Widening Participation Funding: Additional support will be available for participants from disadvantaged backgrounds. These will be based on the Turing Scheme's Widening Access Groups which are outlined here: <https://www.turing-scheme.org.uk/about/widening-access> the outward mobility will inform you if this funding has been allocated to you and the amounts you are due to receive.
- Grant rates are calculated and provided from September 2021. Placements which commence prior to this time will receive funding from this date only. You must ensure you are able to fund this period abroad without receiving additional funding from UWTSD.
- The total duration of the mobility period shall not exceed 12 months, including any zero grant period.
- If the Turing Scheme application is successful, UWTSD is bound by the repayment guidance issued by the UK Government under the Turing Scheme.
- Please note that full details of your grant amounts and processes will be sent to you along with a Grant Rates Confirmation Letter ahead of your placement.

Please tick the boxes below to confirm you agree to the statements provided in relation to your grant payment from UWTSD.

20. GRANT AND DOCUMENTATION

I confirm I have attended the UWTSD Pre-Departure Briefing.
