

NOBODY'S ON NOBODY'S SIDE

VERSE

What's going on around me, its barely making sense, I need some explanations fast.
I see my present partner in the imperfect tense, and I don't see how we can last.
I feel I need a change of cast, maybe I'm on nobody's side.

And when he gives me reasons to justify each move, they're getting harder to believe.
I know this can't continue, I've still a lot to prove, there must be more I could achieve.
But I don't have the nerve to leave.

CHORUS

Everybody's playing the game, but nobody's rules are the same, nobody's on nobody's side.
Better learn to go it alone, recognise you're out on your own, nobody's on nobody's side.

VERSE

The one I should not think of keeps rolling through my mind, and I don't want to let that go.
No lover's ever faithful, no contract truly signed, there's nothing certain left to know,
And now the cracks begin to show.

CHORUS

Never make a promise or plan, take a little love where you can, nobody's on nobody's side.
Never stay too long in your bed, never lose your heart use your head, nobody's on nobody's {side.}
Aah, aah, aah, aah.
Never take a stranger's advice, never let a friend fool you twice, nobody's on nobody's side.
Never be the first to believe, never be the last to deceive, nobody's on nobody's side.
Never leave a moment too soon, never waste a hot afternoon, nobody's on nobody's side.
Never stay a minute too long, don't forget the best will go wrong, nobody's on nobody's side.
Better learn to go it alone, recognise you're out on your own, nobody's on nobody's side.
(SOLO VOICE alternative lyrics LAST VERSE)
And never leave a moment too soon, never waste a hot afternoon,
Never stay a minute too long, and don't forget the best will go wrong,
You'd better learn to go it alone, recognize you're out on your own,
Nobody's on nobody's side.
