

Diego Zanelli, CSPH7037, ASS2

first marker's mark - 58

For completion by Marker 1 :

Comments: This is quite a well written essay. Mark's ideas are presented clearly and in a fairly detailed manner. However, the essay tends to be overly descriptive, & it is quite limited in terms of critical analysis. That said, you have taken account of relevant scholarship, and you draw on primary sources in a fairly successful manner, focusing on the task set. But try to develop a line of argument that is based on a critical examination of that scholarship.
