Ymarferion

The teacher told us to do the work on our own.	
I have ordered this book for you. The book is only available in Welsh bookshops.	
I would like to complain about something which is important to the community.	
I have collaborated with the staff in local schools to do the work.	
The children in every class have prepared for the concert and the staff in some classes have prepared a raffle for the event.	
It's nice to hear from you!	
I'm looking forward to seeing you next Monday.	
The children take an interest in Welsh books.	
The children take an interest in Kate Roberts' books.	
I had to prevent the children from climbing on the wall in the playground.	
I'm waiting for the teachers in Welsh schools to tell us about the course in Cardiff.
