

The Candle Napkin Fold

Step 1. Lay the napkin face down in front of you.

Step 2 Fold the napkin in half diagonally

Step 3 Fold the napkin in half diagonally

Step 4 Fold the long side up just about an inch. Press this fold down well or it will interfere with the next step.

Step 5 Starting at either end, tightly roll the napkin into a cylinder. Take care to roll it straight so it will stand solidly.

Step 6 Tuck the end of the roll into the base on the backside and stand it up.

The Pyramid Napkin Fold

Step 1 Lay the napkin face down in front of you

Step 2 Fold the napkin in half diagonally

Step 3 Rotate the napkin so the open end faces away from you.

Step 4 Fold the right end up to meet the far corner, ensuring the edge of this new fold lays on the centreline as shown

Step 5 Repeat the last step with the left side, folding the left tip up to the far corner, creating a diamond shape with a seam running down the centre

Step 6 Turn the napkin over, keeping the open end facing away from you

Step 7 Fold the napkin in half by bringing the farthest point of the diamond up and back to the nearest point.

Step 8 Turn the napkin over again, this time keeping the open end facing towards you.

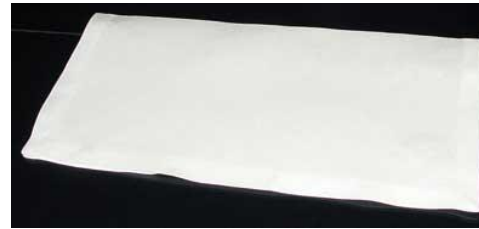

Step 9 Fold the napkin along the centre seam and you have a neat, sturdy pyramid.

The Pocket Napkin Fold

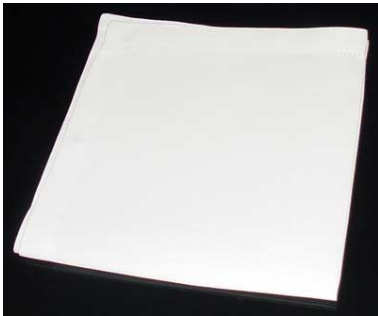

Step 1 Lay the napkin face-down in front of you.

Step 2 Fold the napkin in half and orient the open end toward you

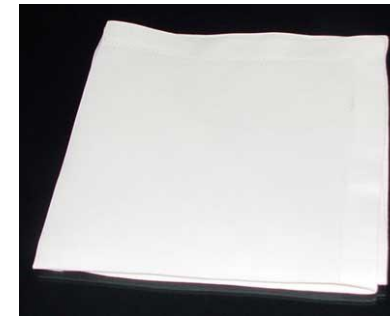

Step 3 Fold the napkin into quarters

Step 4 Orient the napkin so the open corner is facing away and to the left.

Step 5 Fold the top-most layer of napkin in half diagonally and press it down

Step 6 Turn the napkin over so that the open corner is now facing away and to the right

Step 7 Fold the right-side back about 1/3 of the way and press it down.

Step 8 Fold the left-side back also about 1/3 of the way and press

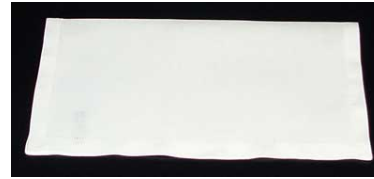

Step 9 Flip it over, straighten it up and insert those shiny eating instruments

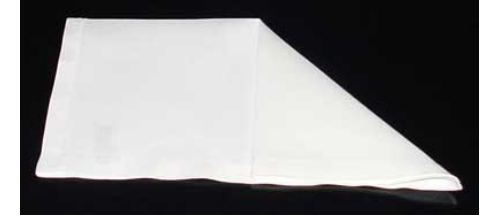

The Bishop Hat Napkin Fold

Step 1 Lay the napkin face down in front of you

Step 2 Fold the dinner napkin in half so that the open end is towards you.

Step 3 Fold the far-right corner diagonally towards you, resting the point in the centre of the side closest to you

Step 4 Fold the near-left corner diagonally away from you, resting it so that it lays right next to the previous fold

Step 5 Flip the napkin over and orient it so it points to the far-left and to the near-right

Step 6 Fold the bottom half of the napkin up and away from you, laying it so the far edges run on top of one other.

Step 7 Reach underneath of the napkin and pull out the flap on the right, making the near-side come to two points as seen in the picture

Step 8 Gently roll the left half of the left triangle over and tuck it's end underneath the right triangle.

Step 9 Flip the napkin over, points pointing away from you.

Step 10 Fold the right-triangle to the left, tucking it's end into the other triangle.

Step 11 Open up the hat and press the material inside down to fill it out so that it becomes circular, this may take a little fidgeting

The Rose Napkin Fold

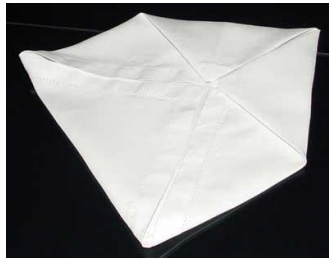

Step 1 Lay the napkin face down in front of you.

Step 2 Fold the two right corners of the napkin in so the tips rest at the centre

Step 3 Fold the remaining two corners of the napkin in so the tips meet with the last two in the centre.

Step 4 Once again, begin folding the outer corners in so they meet at the centre.

Step 5 Once all of the tips are folded you are left with a square about 1/4 the size of the unfolded napkin

Step 6 Flip it over

Step 7 Fold the corners in so they meet in the centre and then place something sturdy in the centre, or hold it with your fingers

Step 8 While maintaining downward pressure in the centre of the napkin, reach underneath each corner and pull out the flaps to create petals

Step 9 Remove the centre weight and your rose should look as pictured here If you like you can reach underneath the centre of each side and pull out a second set of petals to fancy it up some more.
