

Fellowship

Supporting Statement Template

Your Name	Stalin Jacob
Applicant Name	Redhwan Alamri
Your Institution/organisation/other	University of Wales Trinity Saint Davids
Your current role	Senior Lecturer
Email address	s.wpackiadhas@uwtsd.ac.uk
Your Fellowship Status (if appropriate)	
Relationship to Applicant	
How long have you worked with the Applicant (insert dates)	September/25/2023
Declaration	In submitting your Supporting Statement, you are confirming that the applicant's submission relates to their higher education professional practice and that your statement is your own work and has been written specifically for this applicant. If the professional integrity of the Supporting Statement is in question it will not be accepted. I confirm that I have read and agree with the declaration above. Date: 21/02/2025

Supporting Statement

Please provide your statement to verify and endorse the applicant's submission for Fellowship in the following section. You are required to comment on the applicant's recent higher education practice (usually within the last 3 years), providing examples to support your statement wherever possible.

In completing this Supporting Statement you are confirming that you have read the AdvanceHE Guidance for referees writing a Supporting Statement. In association with the Descriptor 2 criteria, as a guide, you should comment on the following in your supporting statement:

- your own personal experience of the applicant's recent and effective HE practice;
- if you have been involved in peer observation of the applicant's teaching and/or support of learning, please draw on relevant examples from this;
- any inclusive practice and/or contribution to developments by the applicant in teaching and/or supporting learning within their context as appropriate;
- your perspective on the practical examples provided within the application to illustrate the Fellowship requirements.

Two sides of A4 will normally be sufficient for this category of Fellowship.

I am pleased to provide this supporting statement for Redhwan Alamri in his application for Fellowship of the Higher Education Academy (FHEA). Having worked with him for one year and six months, I have had the privilege of closely observing his teaching, mentorship, and professional contributions to the higher education sector. Redhwan Alamri has consistently demonstrated excellence in teaching and student mentorship, making a significant impact on the learning experiences and academic growth of his students.

Redhwan has shown a strong commitment to delivering high-quality, engaging, and innovative teaching practices. His expertise in computing has been instrumental in shaping students' academic progress. His ability to simplify complex technical concepts using interactive learning techniques has made learning both effective and enjoyable.

One of Redhwan's key strengths is his ability to design and implement learner-centered teaching strategies. I have personally observed his innovative use of technology in the classroom, incorporating tools such as online assessments and multimedia resources to create an engaging and dynamic learning environment. His teaching fosters critical thinking, problem-solving, and industry-relevant skills, ensuring that students are well-

prepared for professional careers. He also employs active learning strategies, including case studies and collaborative group work, which encourage students to take ownership of their learning while enhancing their problem-solving and research skills.

Redhwan Alamri is highly proficient in providing constructive feedback to students. His feedback mechanisms ensure that students understand their progress, identify areas for improvement, and continuously develop their skills.

He is actively involved in research in computer science, which helps in the integration of research with teaching. His research contributions ensure that students are exposed to current advancements in technology, industry trends, and innovative problem-solving approaches. His ability to design and deliver engaging learning experiences, support students through mentoring and research, contribute to academic development, and integrate technology into teaching makes him highly deserving of Fellowship recognition.

I fully endorse Redhwan Alamri's application for Fellowship, as his teaching philosophy, research engagement, and commitment to student success align strongly with the Professional Standards Framework. I am confident that he will continue to make meaningful contributions to higher education.
