

Community Care Development (BMHP6022)

Assessment 1 -PowerPoint Presentation
The Issue families facing in Redbridge
Aniko Balogh 2018980

Introduction

- What is community- “the people living in one particular area or people who are considered as a unit because of their common interests, social group, or nationality” (Cambridge Dictionary, 2023)
- It is important to understand communities so we can achieve development, which can help to gain a better community for the future and a better quality of life for the individuals in the community.

(psychology Today, 2023)

Demography

- The London Borough of Redbridge is a community that was established in 1965.
- It is a borough within the 32 borough councils in the UK capital, London
- The London Government Act 1963
(Wikiwand, 2023)
- It is Located Northeast London

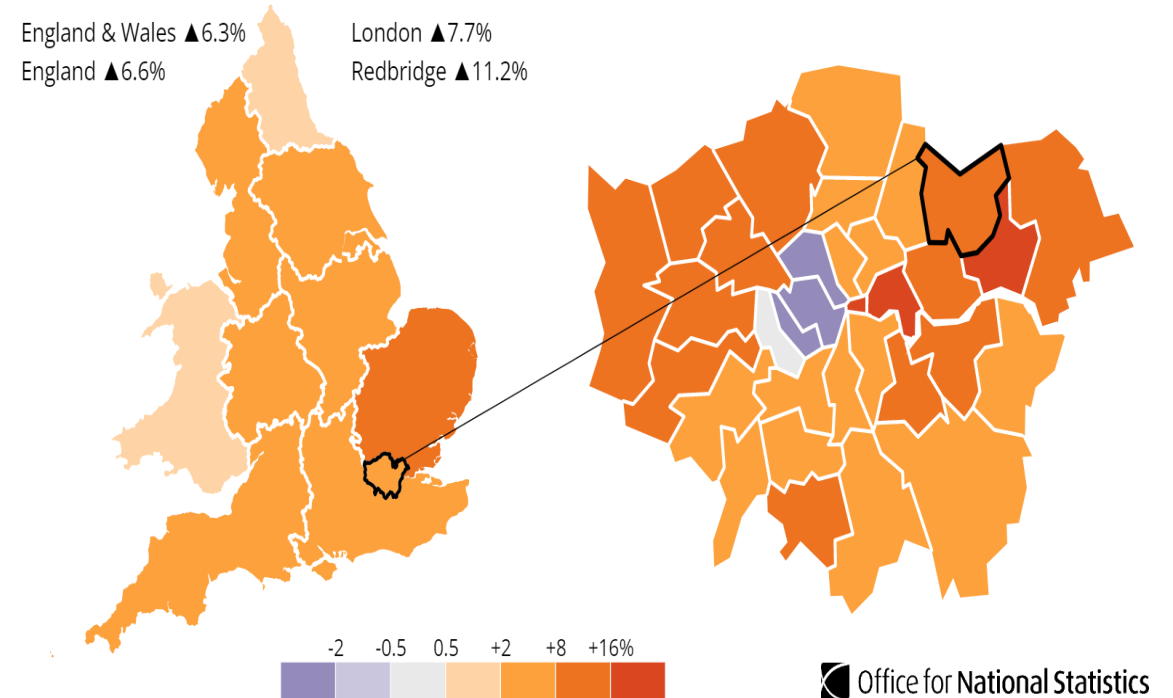

(Wikiwand, 2023)

- 12,290 children under 16 (19.8%) live in low-income families (2014)
- 30% of children in Redbridge are living in poverty (after housing costs). There is variation across the borough, with some areas having up to 43% of children living in poverty (2015)
- 80% of primary school children are known to be eligible for free school meals.
- Redbridge Foodbank distributed 3,138 emergency food parcels in 2015/16 (1,738 adults & 1,400 children)
- 30% of jobs in Redbridge pay below the London Living Wage and are
- Therefore, they are classed as 'low-paid' jobs (Ambitious for Redbridge, 2017)

Child poverty is a global concern

- Poverty is when a person lives on less than \$2,15 a day.
- Tackle down poverty is SDG, goal number one! End poverty by 2030. (United Nation, 2023)
- In England, 4.2 Million children living in poverty in 2021/2022 (Active for children, 2023).

Need to break the cycle.

(children international, 2023)

The problem with child poverty

- By Maslow's hierarchy of needs, a person needs to fulfil all the stages in order to achieve self-actualisation .
- With poverty child will lack
- Food, clothing, shelter- basic needs
- Personal security, health and resources like toys, Which breaching the Child article no' 31 "every child right to play"

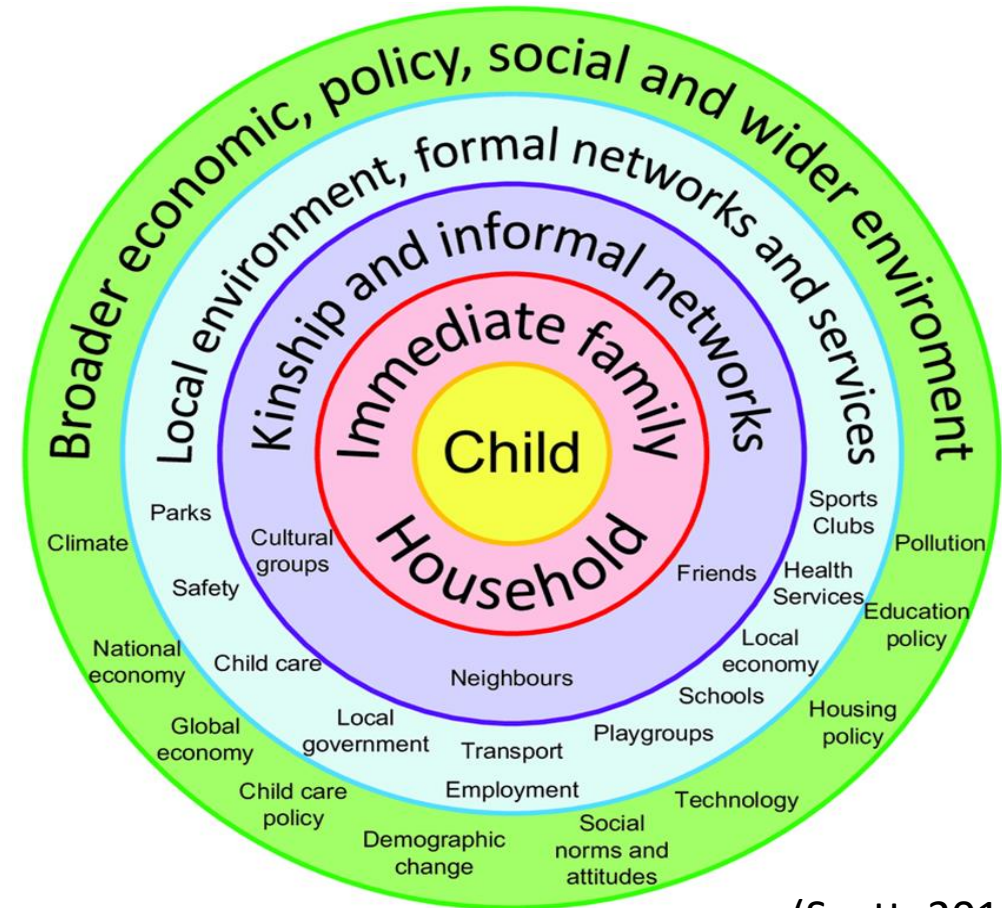

Maslow's hierarchy of needs

(thoughtco, 2023)

The importance of the community

- The Bronfenbrenner theory is one of the most popular theories that explains how the Social environment influences the Human development
- It has five different systems
- The Microsystem has the biggest impact. (Guy-Evans, 2023)

(Scott, 2016)

Legalisations and policy

- Children Act 1989
- Children Act 2004
- Children and Social Worker Act 2017
- Children and Families ACT 2014
- Homelessness Reduction Act 2017

(Mussabayev, 2014)

Stakeholders involved

- Council
- Children centres
- Multi-agency
- Housing team
- Health visitors

- (The foster care, 2022)

Use of Digital media and technology for community development

- What's App
- Facebook
- Baby and children groups

Barriers

- Lack of affordable childcare
- Lack of flexible/hybrid jobs
- Mothers with young children finding it more difficult to find a job
- Expensive housing
- Lack of government funding towards young working families
- Too much pressure on couples

Recommendation

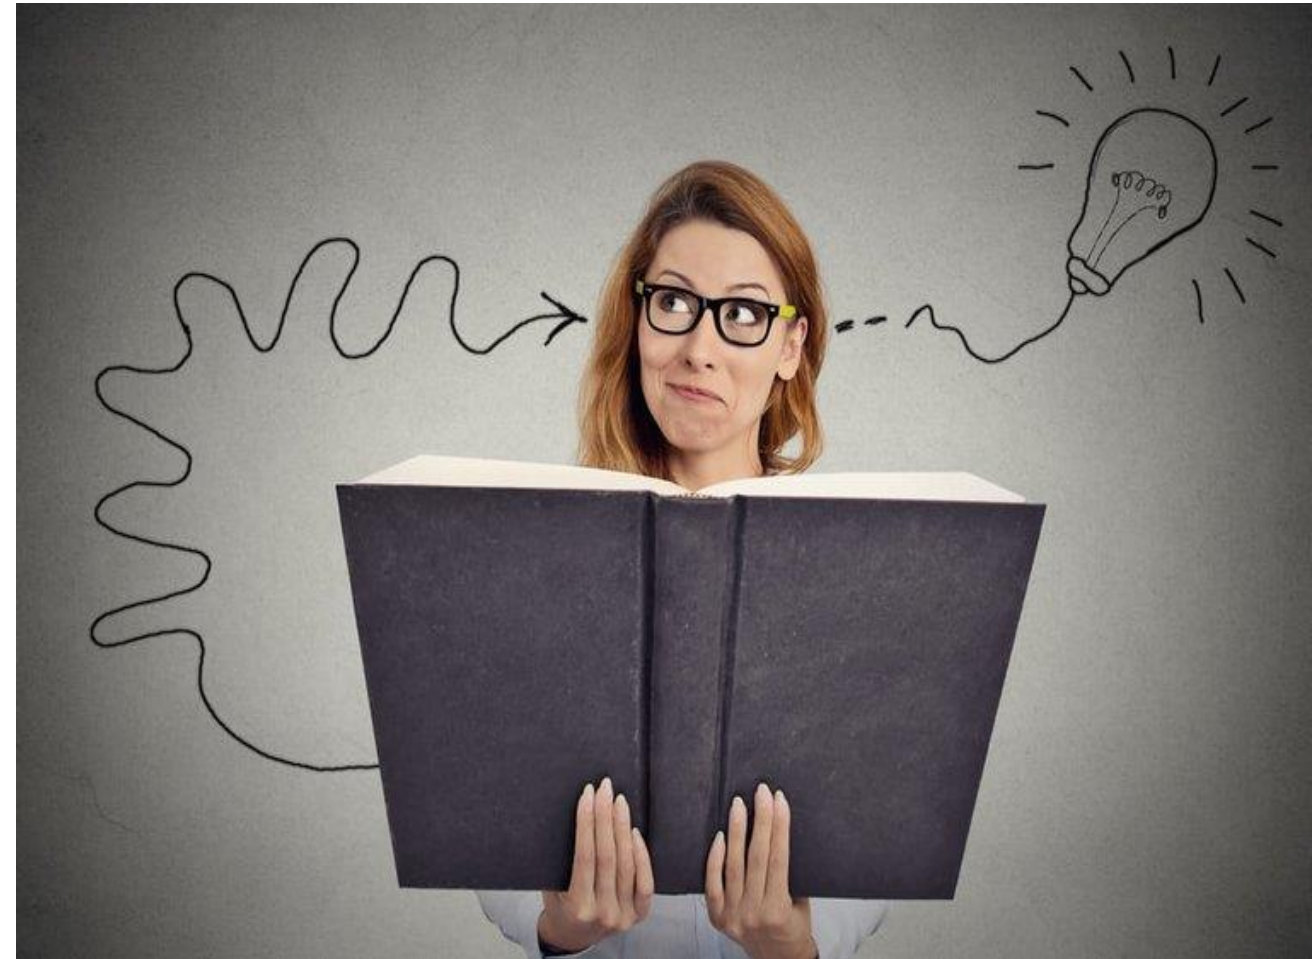

- Better childcare system so parents can work.
- Affordable housing
- Rise the Government poverty line
- Better, affordable family-centred activities.

- (dreamsteam, 2023)

Conclusion

- Poverty is a global issue
- Affecting everyone but breaking the cycle, children could have a better future
- Reducing single-parent households can help children's mental and financial stability
- Having a supporting community can help to break the poverty cycle.
