Student's Name	RHYS
Student's SurName	DAVIES
Student's Email	2104756@student.uwtsd.ac.uk
Module Name	NCSE
Marked By	Nitheesh Murugan Kaliyamurthy

Engagement with Literature Skills	15
Feedback	Marks
Could have referred to academic credible literatures. Most of the Literatures are internet sources. Literatures referred and in-text cited.	11
More appropriate critical reviews on the literature could have been done.	

Knowledge and Understanding Skills	15
Feedback	Mark
The knowledge and understanding on Threats, vulnerabilities and attacks are good. However, the depth of the research is not adequate. Could have added more in-depth description on .rekt file format attacks. The Guideline is very good. Structured appropriately. Simple and effective. Appropriate formatting done	12.3

Cognitive and Intellectual Skills	20
Feedback	Mark
Could have discussed the attacks matching to the stated scenario and possible security breaches. Key observations were made in securing the network. However, more details on ransomware/ encrypted file format could have added value to the work. The report was organised.	13.2

Practical Application Skills	40
Feedback	Mark
Packet Tracer Certificate attached. Physical and Logical Topology done. Implementation done appropriately. IP Addresses configured. Could have done the basic configurations like passwords. Wireless Connectivity is successful. Could have considered security of the network during design.	36

Transferable Skills for Life and Professional Practice	10
Feedback	Mark
Abstract must be giving the details about the coursework document. You writings are reflection of the work done and not an abstract. Don't address the report using 1st person. Use narrative/ descriptive approach in writing an effective report.	7.8
Overall Mark	80
