Introduction:

- The report is about the cornel notes, diagram notes, to research the information I've looked through my notes from week 2 I taken and photos I used the reflective module gibbs, and I chose it because is easy to understand and put them like a plan.
- The notes we learn they been useful and will be in the futhure, because is going to help to manage the plans Using the Cornell Notes method might help you arrange your notes so they are simple to go over and recall.
- Three parts should be made on a sheet of paper: one for notes, one for major ideas, and one for summarizing and assessing what you have learnt.
- The advantages of Cornell Notes use include:
 - Enhanced structure and organization.
 - Enhanced knowledge retention and comprehension.
 - Increased attentiveness when reading or attending lectures.
 - Greater adaptability.
 - Growth of critical thinking.

2.1 Time management

- It happen in week 2 we was learning about cornal noteas,notes taking this was mostly interesting, because I learn new information, I meet new people with different opinions about topics. But sometimes not that interesting, because frequently I didn't understand subjects, and lessons was boring.
- Topics which we learn will be useful in other lessons, and might help us to manage our plans.
- I will continue to take actions with the note takeng,diagram notes,which are very helpful to compare a book for example with another book.

2.2 note taking

- The experience was a new to me because I learned new information it happen in week 2 we was learning about corneal notes, note taking and it was very helpful using them in other lessons and I will use the information I learned in the lessons in my futhure, and it will help me to manage my work in classroom.

2.3 craap test

- At first CRAAP test was new to me because I didn't know about it. It was new information because English is not my first language and I was confused at first but after I started to understand it, it happened in week 3 after we learned note taking. It was a helpful piece of information and will be for me in the future.
