

Teacher of the future (part 1)

Use this document in conjunction with the Teacher of the future powerpoint and the EntreComp Framework.

Add your own emoticons to work out what kind of subjects you wish to teach, then challenge yourself to explain why those decisions were made.

the EntreComp framework is
a flexible tool that can help you to
predict future teaching roles that
support entrepreneurial learning...
but suits you best?

Using the wheel on the previous
page, add a few of your own gut
reactions as to what areas you'd like
to teach?
