

Faculty of Education and Communities

The issues you raise via student reps, module feedback and student surveys are used to make decisions at every level of the University. We want to let you know what happens with your ideas and comments and update you on the work we're doing to improve your student experience.

✓ It's Done

Monitoring disruptive behaviour: reminder of the code of conduct for classroom behaviour

Student feedback about the efficacy of the traffic light system was discussed and it was agreed that lecturers would put this up on the screen at the start of their lecture, in order to raise more awareness.

We're Working On It

Module evaluation forms. It was agreed that time would be given at the start of the first lecture in semester 2, to complete forms for semester 1 modules.

Student etiquette - using laptops during lectures to write assignments and a reminder that it is a student's responsibility to catch up with work, if any sessions were missed, they are not to pester other those who are attending.

Find about signage on campus for designated smoking spaces – where are the areas?

It was also noted that there were not enough deserts in the Merlin canteen. The Chair agreed to mention this to the Operations team.
