

MBA Change modules 2021

Students will be studying either:

BMMB7000 Change & Stability Management (MBA) OR

BMMB7011 Managing Change Within Tourism Organisations (MBA Tourism Management)

Taught classes are combined, but each module has slightly different assessments.

Each version has its own moodle site where key resources will be made available.

There are two lecturers delivering the modules:

Mike Davies (Lead) and Shehla Khan. They will each teach a number of sessions to the whole group.

For tutorial support throughout the module and marking purposes, students have been allocated to a tutor as follows. They should be your first point of contact for module related advice and any queries:
