

TIME TEST 1

24TH OF FEBRUARY 2023

TIME TEST

- Material up to and including 4E
 - bear in mind that your homework for 26th Feb goes up to 4G though!
- 20 questions in total
- Some questions are based on texts from T&V, some on our weekly exercises
- No longer translation from Latin
- A few sentences to translate INTO Latin: focus on syntactical concepts first, then on vocab (don't overlook **ACI** constructions!)

TIME TEST

- Time test practicalities • It is an open-book test and you may use all aids at your disposal (e.g. text books, vocabulary lists, etc).
- You may only attempt the test once and must complete this attempt within 1 hour from your start-time. This includes submitting your answers for marking!
- The quiz interface will have a count-down clock in the navigation box in the upper right hand corner.
- If you are well prepared and well organised, time will not be an issue!
- Once you have completed all questions, you must submit your answers for marking. You can go back and review individual questions before submitting. Your exam is not valid until you have submitted it for marking.
