Benefits and drawbacks of T1 &T2 hypervisor, Cloud Computing stated with examples. Could have added own Illustrations for DNS instead of referring to online sources. Adequate evidences provided. The quality of the report is very good with proper numbering and sub chapters/ bullet points etc. The terminologies were discussed focused on operations in the aspect of various operating systems. Good Formatting. It was said not to use double binded page for coursework. It was difficult to follow-up the document. Use normal report structure for your coursework 2. However, this doesn't impact your marks.	18
