

Nature walk

Where do
plants grow?

Habitats

These are some of the habitats found in school grounds.

Which of these habitats can you find in **your** school grounds?

Plants

pond weed

daisy

bush

tree

daffodil

water lily

buttercup

tulip

grass

crocus

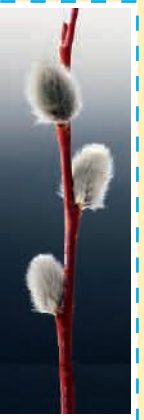

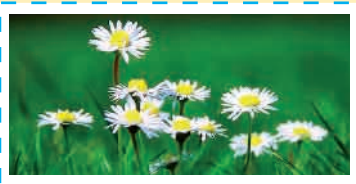

pussy willow

clover

Where do plants grow?

Match the plants to their habitats.

playground

playing fields

garden

pond

sand pit

hedge

Most plants are growing in the...

There are no plants growing in the...

Nature Walk

page 5

Can you make a copy of the plants in your school grounds?

You could:

-  use a digital camera
-  draw
-  paint
-  make a model.

How many *different* shades of **green** can you find?
