Outside Of Work

Outside Of Work

Community Sports Development

How well do you know each other?

Circle task / 3 rotation outside

Name

Where you are from

Where you currently live

Where you see yourself working in sport in the future

Where you work now

Your main interests

How you got to this point on your course (academically)

Feedback to group- present your friend

Community Sports Development

My expectations / standards:

Attendance- If you cant attend email me before the lecture starts

Professionalism / language

Mobile Phones- in bags not on the desk or in pockets

Hand in work on time

Value everyone's views, challenge, agree and disagree

My way of delivering:

Practical tasks

Use of technology

Real life experiences

Energisers / brain mash

Breaks-

Research / further reading

Community Sports Development

What you need to bring?

Pen

Notepad

Smart Phone- QR Code Reader

Drink / non fizzy

Energy

Concentration

Ideas / creativity / an open mind!

Timings

9am- This room AS223

10- Break

10:15- IT room AS222

Times may vary / we will be offsite at times

Community Sports Development

What do I expect from this
module- Think, Pair, share

Post it note feedback

Monkey cucumber / grapes

Community Sports Development

Aims of this module:

Develop an understanding of issues relevant to sports development, planning, managing sport infrastructures and key initiatives and programmes.

Evaluate arguments, assumptions and current strategies that are focused on creating pathways of opportunities for all individuals to achieve their potential through and in sport.

Community Sports Development

What will we be doing?

Presentations

Discussions / tasks / practical tasks in the classroom

Student research and presentation

Offsite visits to see sports development in practice

A real life practical task- your project could be brought to life

Use of technology where possible- You will need a QR code reader

Community Sports Development

How to get
Your grade?

🤔 Hand your work in on time! 🤔

Community Sports Development

Flip Chart Rotation Task- 3 groups

1- Where does / should it happen

2- What does it look like

3- What are the day to day tasks of a sports development officer

Community Sports Development

MTB- 2 x community clubs

Hockey

Surfing

Camps

Community Clubs

Student Research Task:

What new community sports could be developed in the Swansea Bay region and why?

**Research- growing trends, what is successful elsewhere (USA).
What facilities could be used, is there evidence of a need?**

Design a small PowerPoint presentation of 5 slides maximum
