Professor Medwin Hughes, DL
Vice-Chancellor

I am delighted to welcome you to the University of Wales Trinity Saint David. Whether you are new students beginning your course with us this year or are a returning student, you are a valued member of the UWTSD community.

You are also members of the oldest Royal Chartered University in Wales and an international network that I hope will serve you well throughout your personal and professional life. We take great pride in our history as it has provided us with solid foundations from which to grow and continue our transformational journey.

The University is a confederation of several institutions committed to placing the needs of our students at its core. We seek to provide you with the opportunity to experience a wide range of academic, social and cultural opportunities to support your personal and professional development.

The University is renowned for the range of services that we provide to support you during your studies. Such services include the provision of a relevant and inspiring curriculum, developed in partnership with employers, providing a supportive learning environment as well as investing in our campuses to enhance the student experience.

University life is, after all, about you, our students; your experiences, the opportunities that we provide for you to challenge concepts, to find out who you are and what you stand for.

The University's academic and professional support teams are here to ensure that you achieve your potential and I encourage you to make the most of every opportunity and enjoy this very special time in your life. I'm very proud of our track-record for supporting our students, including providing you with opportunities to develop your ideas into commercial opportunities. This is an area for which we have been named the European Entrepreneurial University of the Year in 2022. Make the most of such opportunities so that you can make a difference not only to your own life but also to the life chances of those around you.

As we continue to celebrate the bicentenary of the University in 2022, may I wish you success and joy as a student of this University.

With very best wishes and we look forward to welcoming you in September.

**A very warm
welcome to
you as you
start your
studies with
us at UWTSD
Swansea**

I am delighted that you have made UWTSD your university of choice. For two hundred years, this University has been welcoming learners.

In choosing UWTSD you have joined Wales' oldest higher education institution and a university rated by students as one of the best in the UK. In the 2022 Complete University Guide League Table UWTSD is rated 6th in the UK for student satisfaction with many of our programmes rated top three. In the 2021/2022 Guardian League Table many of our Swansea based programmes are rated #1 in Wales and top 5 in the UK. These celebrate the fact that UWTSD is a student-centred university.

The pandemic has meant that the past two years have been very challenging and you will have experienced and overcome some major obstacles to get this far. I can't promise you that everything will be completely back to normal in the year ahead. However, what I can promise you is that the university, in partnership with the Students' Union, is determined to ensure your university experience is the best it can possibly be.

Enrolling on an academic programme at UWTSD Swansea means that you also become a member of a close-knit and friendly community. You will become part of a very special and supportive family where you will make life-long friendships and where all members are respected regardless of their background.

I appreciate that for many of you, your priority will be to focus on your programme of study and to immerse yourself in the life of your new academic department. May I suggest that you also take time to look beyond your programme and engage both on campus and online with the wider student family. Become a part of the campus community and support its continuous development. The more you contribute to your community, the richer your student experience will become.

UWTSD Swansea is embedded in Swansea's cultural and social heart. Our campus straddles the city from the Arts and Business in the city centre to our growing Innovation Quarter in Swansea's transformed Waterfront district. Swansea has a bustling city centre with a new indoor arena and leisure facilities combined with some of the best bays and beaches in Europe. Our location means that our students get the best of both worlds and are never more than a 15-minute walk from the beach.

Whatever journey you have had to get to this point, my hope is that as you start this next phase of your journey you will remember that the best is yet to come.

I sincerely hope that you will enjoy your Swansea days.

Best wishes to you all,

Professor Ian Walsh
Swansea Campus Provost

Where Higher Education Began In Wales

The academic year 2022-23 is an exciting time to join UWTSD. You'll be making history by joining us as we celebrate our Bicentenary.

Our Lampeter campus is where higher education began in Wales. Founded on the 12 August 1822 it is Wales' first higher education institution and its Royal Charter of 1828 is the oldest. We can also claim a number of firsts in Wales:

**The first Teacher Training
College – Carmarthen 1848**

The first Art School – Swansea 1853

**The first Teacher Training College
for Women – Swansea 1872**

We are intrinsic part of the story of higher education in Wales. Our campuses were formed to address the social and economic needs of their communities; our curriculum shaped to enable our students to gain the knowledge and skills needed to make a difference and to be part of the solution to some of society's greatest challenges. Our mission from the outset has been to transform education and transform the lives of those we serve.

Find out more about our
Bicentenary so far [here](#).

YOUR UNIVERSITY EXPERIENCE AT UWTSD

We understand that your decision to go to university isn't just about learning, it is also about other experiences and embracing life-changing opportunities.

At UWTSD we continue to aim to ensure you get a rich and rewarding university experience.

Going to university is an exciting time. It's about learning more about a subject that you love, developing your skills, discovering new passions, making new friends and, for many, living independently. At UWTSD we want to provide you with a great experience.

KEEPING YOU SAFE

We are delighted that we can welcome all our students back on to Campus from September. The University has, during the pandemic, put the wellbeing of its students, staff and others at the heart of its decision making.

The University has always, and will continue to, base its decision-making on Government requirements and guidance in place. Should the guidance change, we will implement all the required safety measures. Hand sanitizers and face masks will be available on all our Campuses.

Our new Student Hubs (Hwb) bring a range of services together to provide a 'one-stop-shop' to deal with queries and issues.

The Student Hubs will be the place where you can access all the information and support you'll need to get the most out of your time at UWTSD, providing a comprehensive information service to students on all student-related matters.

At a recent QAA review at the University, the Hwb received a commendation – this is what they said about the Hwb:

"The Student Hwb which provides students with a comprehensive and accessible electronic contact and information point that effectively supports their learning experience."

Download the Hwb App NOW – it will provide you with everything you need to know about completing the admissions and enrolment process, as well as up to date information on Arrival and Induction arrangements.

Complete your pre-enrolment tasks

Make sure you've uploaded your photo for your Student ID Card, and uploaded any documents we need from you. If your course requires a DBS check, make sure you've got your application done before you start.

Log into MyTSD (mytsd.uwtsd.ac.uk) and click on 'Documents required prior to enrolment' to check what documents we need before you enrol. Here you can also check if you need a DBS for your course and find details of how to apply for one.

A digital version of your ID card is available via the Hwb App.

4

Enrol on your programme of study and choose your modules

Shortly before your course starts, you'll receive an email telling you to log into MyTSD (mytsd.uwtsd.ac.uk) to enrol.

As part of the process, you'll be asked to confirm which modules you wish to study in the coming academic year. Your Institute Administration Team will be happy to help if you have any queries regarding your module options.

5

You're officially a UWTSD student!

Check your email for confirmation of your enrolment and details on how to access your University IT account, including your University email and IT resources such as Moodle and Wi-Fi. Make sure that you can connect and log in to each of these services before your course starts.

The Hwb App will automatically update when you enrol, so make sure you log out and then back in to the Hwb App to access your personalised dashboard where you can view your timetable, library accounts and much more...

MyTSD

You should use MyTSD throughout the year to update personal data, view your module selections and to view your results.

Log into MyTSD (mytsd.uwtsd.ac.uk) to access Confirmation of Enrolment letters and (for those eligible) Council Tax Exemption Letters, should you need them.

ALL YOU NEED TO KNOW ABOUT...

ACCOMMODATION

If you are planning to live away from home whilst at University, accommodation is probably top of your list of things to organise.

Student safety on campus is our priority and our award winning accommodation team will be on hand to answer questions and provide assistance.

We have a range of different types of accommodation available, all offering a safe and secure but independent 'home away from home' while you study.

Living in residential halls puts you at the heart of student life, and students in our accommodation benefit from a wide variety of on campus services.

Accommodation is allocated on a first come first served basis, so we recommend you apply as soon as you have decided to stay with us.

We will start the allocation process in August, so please let us know on the form if there are specific people you would like us to try and accommodate you with.

Click here to find out more about the options available, and how to apply.

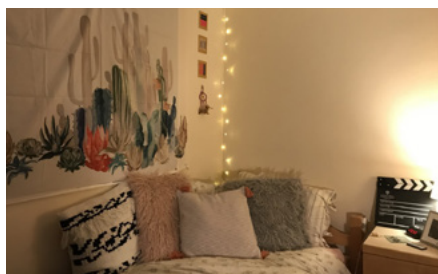

Endsleigh insurance

By partnering with Endsleigh, the No.1 student insurance provider, we've arranged free contents insurance for all our students staying with us.

It is important all students confirm their cover to ensure you understand what is and isn't covered.

For more information, please visit: endsleigh.co.uk

CHILDCARE

At UWTSD we understand that as a student parent you may have concerns about returning to education, juggling family life and other work commitments. That's why we've ensured there is a range of flexible support available to help you settle in quickly and make the most of your time with us.

Making the choice to come to university later in life can be daunting but incredibly exciting and we want to make sure you feel supported and empowered throughout your studies.

Baby Changing facilities

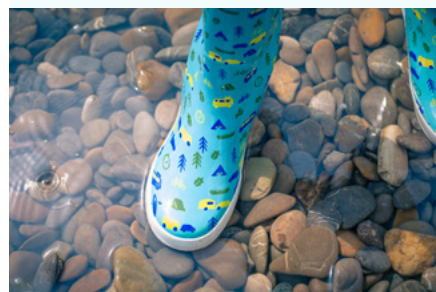

There are baby changing facilities available on-site in the Dewi and Halliwell buildings. If you would like to find out more about private breastfeeding rooms, inquire at the Reception desk.

Financial Support

As a student parent, you may be able to apply for a Childcare Grant from Student Finance. If you are not in receipt of the Childcare Grant or Child Tax Credit, you can apply for a Childcare Bursary from the University.

Get in touch with the Money Support Team on your campus for more information and advice about your application.

PLACES TO EAT

We have a few cafés on our Swansea campuses offering a mixture of snacks, hot and cold drinks and somewhere nice to relax with your course mates;

Dynevor café

Our Dynevor café offers delicious coffee and a selection of hot and cold snacks to keep you going in between lectures, with plenty of vegan and veggie option. It is situated in the Dynevor building.

Caffi Tawe

This café is located in our IQ building, down on the Waterfront campus. With a selection of hot meals and snacks for all tastes, the open and bright area is a great place to sit down with your classmates and take in the view.

Café Cwtch

The newly refurbished Caffi Cwtch (Welsh for Hug) is in the Swansea Business campus. There's lots of comfy seating, a pool table and plenty of space to unwind between lectures, plus it's a great space to work with several PCs available to reserve within easy reach of the café. Swansea city centre also boasts many restaurants and cafés so you'll be spoilt for choice!

Blasus - You Book. We Cook!

We will be hosting regular events here The new way to order your food and refreshment. With a varied selection of foods and refreshments to choose from covering all tastes. Just choose your time for collection and order. All students are entitled to a 10% discount with every order. Just enter the discount code: **STUDENT10**.

All catering outlets and vending machines will only take cashless payments.

SPORTS AND LEISURE

Being healthy will allow you to make the most of your time at UWTSD. There are many things you can do to help promote your wellbeing, and we feel strongly about supporting you.

One of the best ways to stay fit and healthy is to include activity into your everyday routine. You don't have to join the gym - simply making an effort to walk instead of catching the bus could make a big difference to your wellbeing. For ideas on how to incorporate activity naturally from day-to-day, the NHS offer great advice on their website: [nhs.uk/live-well/exercise/free-fitness-ideas/](https://www.nhs.uk/live-well/exercise/free-fitness-ideas/)

Academic and InfoSkills

The Library's Academic and InfoSkills programme is designed to create opportunities for students to develop their transferable academic and information skills, facilitating both their academic success and employability.

From identifying different types of learning resources and using academic databases to referencing, plagiarism, critical thinking and managing your citations, the InfoSkills programme has something for you. Some sessions will be booked by your course/module tutor, particularly during the first term of your studies, however you can make use of our online content or approach your friendly Academic Liaison Librarian at any time.

“

The support staff including Student Services, Accommodation, the Porters and more have been amazing and have done so much to support me.

Digital Skills

We are committed to helping all our staff and students develop the digital skills and confidence they need. This is why we provide access to the DigiCentre, a one-stop shop for all your digital skills needs. Here, you will find a collection of tools and resources to help you develop your digital skills.

Follow our recommended collection of resources and keep an eye on our Training & Events page. Our Digital Skills Advisors are also available to support you throughout your studies.

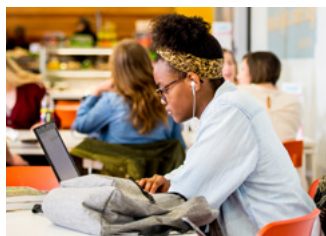

Graduate Attributes Framework

In an increasingly complex and global world, the successful graduate will need to acquire and demonstrate a range of professional and personal skills and competencies. Such skills are valuable to secure employment, start a business and make a valuable contribution to society.

The Graduate Attributes Framework aims to provide you with the necessary tools to meet such opportunities and challenges and to demonstrate those skills and competencies to employers.

At UWTSO you will study up to 40 credits at Levels 4, 5 and 6, which are equivalent to years 1, 2 and 3 of a full-time undergraduate degree. Your programme of study handbook will detail how the Graduate Attribute Modules are embedded within your programme of study.

Disabled Students' Allowances

As a higher education student, you can apply for a Disabled Students' Allowance (DSA) if you have a disability, including a:

- long-term health condition
- mental health condition
- specific learning difficulty, e.g. dyslexia

You must meet the definition of disability under the Equality Act 2010. The support you get depends on your individual needs and not on income.

You may get help with the cost of:

- Specialist equipment, e.g. a computer if you need one because of your disability
- Extra travel because of your disability
- Examination Support (Amanuensis or Reader)
- Specialist Mentoring
- Specialist 1:1 Study Skills Support
- Other disability-related costs of studying

Wellbeing Service

University life is an amazing opportunity to learn new things and discover yourself, but it can come with some challenges.

You may be coming to university with a diagnosed mental health condition or develop difficulties with your mental health or wellbeing whilst you are studying. Whether you are experiencing a short term issue with stress, a longer lasting complex issue, or if you are struggling but are not sure what to do then the Wellbeing Service is here to support you.

You can access our free service at any time during your studies. We have a range of professional, student-focused, confidential services which can work with you to better understand what you are experiencing and help you decide how you want to manage the impact on your studies. You can access all these services by completing the Wellbeing Support Request Form.

If you need support to complete the form, just ask the Hwb team.

Accessing Support

Once you have completed the Support Request form we will review your request and will contact you to offer you the support best suited to you.

This might include Counselling, Wellbeing Advice, adjustments for your studies, referral to other teams in Student Services, or support to access NHS or third sector services. We will work with you to ensure you understand what is available and have a clear sense of what you want to achieve from accessing the support. We also have a wide range of online resources, peer support, training and opportunities to get involved in the work of the service.

You can find out more about all our services and access the form via the website and the Hwb app: www.uwtsd.ac.uk/counselling

“

The way UWTSD is set up is different to other Universities. You get to know your lecturers, sometimes on more of a personal level... they're very approachable and responsive, and they offer a lot of help where some students might need it... it's more intimate learning I guess.

They always encourage you if you had any questions to ask, and they wanted everyone to have an equal opportunity to learn.

Student Assistance Programme

We understand that balancing everyday life with the requirements of studying and home life can create pressures for us all. Once you have enrolled with us, the Student Assistance Programme is available to support you and alleviate everyday pressures or anxiety life can cause.

The service is available 24 hours a day, 365 days a year and provides assistance to you on a wide range of issues such as, legal, financial, medical or life matters. The service also extends to other members of your family and household.

WELSH LANGUAGE OPPORTUNITIES

UWTSD is proud to be a truly bilingual institution offering opportunities to study through the medium of Welsh across our campuses. Whether it's the whole course or one module, students are also able to submit their work and be assessed through the medium of Welsh. Welsh speakers can also access a range of services across the University in Welsh.

But at UWTSD bilingualism is about more than just providing services. It's about promoting the use of the Welsh language and working to create a truly bilingual Wales.

Learning Welsh

Do you want to learn Welsh in a flexible way that fits around your university life? How about registering for the new, online Welsh self-study course offered for free to University of Wales Trinity Saint David students.

When?

Starting from September 2022.
Only 100 spaces available!

Why?

To upskill yourself and prepare for future employment in a bilingual workplace.

What kind of course is it?

Online Self-study

This is an online Entry Level self-study Work Welsh course. This means you'll be able to work your way through the course at your own pace and at a time that is convenient for you. You'll be able to access the course any time, anywhere using your phone, tablet, or computer (as long as you have internet connection!). This level is for beginners, and those wishing to start with the basics. You don't need any Welsh to start at this level. By following this course you'll complete the full Entry level.

Course length:

28 units: Approx. 120-hours of learning.

The Entry course includes 28 units, and will take approximately 120 hours of learning to complete. Learners will usually complete 1 unit per week.

You'll be able to learn at your own pace, so you may complete the course quicker than expected, or you may take a little longer than 120 hours – there's no need to worry about your pace, you'll be sure to make progress however fast that may be.

Additional Support:

Revision Sessions

From the 4th week onwards, you'll be able to attend a weekly revision session for the previous 3 units that you will have completed. These sessions will be with a tutor and held on MS Teams. These virtual sessions are a great opportunity to revise and practice what you've learnt, and will give you opportunities to practice with other learners on the same level as you.

Cenedlaethol

UWTSd plays a key role delivering Welsh medium higher education and has an active branch of the Coleg Cymraeg Cenedlaethol. The branch is based in Carmarthen but has active members across all campuses.

Support for your study

UWTSd and Coleg Cymraeg Cenedlaethol offer a variety of scholarships and bursaries to support you in studying for the medium of Welsh. Find out more on our bursaries page; www.uwtsd.ac.uk/coleg-cymraeg-en/scholarships/ or get in touch with the Coleg branch officer.

Coleg Cymraeg Cenedlaethol - Language Skills Certificate

All Welsh speakers can take this certificate which provides evidence to employers of your language skills and enhances your CV. Find out more; colegcymraeg.ac.uk/en

Penwythnos y Glas

An opportunity for Welsh speaking students to get to know each other before the term starts, if you've let us know you speak Welsh, you'll be receiving details for this event soon. We look forward to welcoming you!

Check out our channels.
We would love to hear from you.
