Emil Hadji Panzov
Founder / CEO - Filter Label

Filter was founded in the beginning of 2007 as a result of the revolt to the current state of the music industry. We think that music should not be pigeonholed and genre categories should not exist. There are only two types of music: good and bad

 Seeking Cross-Genre Music for Release and Sync Placements | [cancel](#)

We are looking to add some cross-genre material to our catalog. We are hoping to find brave compositions combining two or more genres, like in the following examples: - Jazz meets Hip-Hop *Guru ft. Donald Byrd - Lougin'* - Rock meets Electronica *The Prodigy & Tom Morello - One Man Army - Classi...* [Learn More](#)
