Dear Sujeewa Herath,

My attention was immediately drawn to the ad on indeed in which you state you are looking for a bakery manager. I am currently working as bakery manager at Cakes & Bakes in Birmingham. In this position I am responsible for the day to day running of the bakery. I would describe myself as someone who is experienced. I would like to put these characteristics to use within your company. I would like to further explain my motivation for the position of bakery Manager during a personal meeting. Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Aftab Nazir
