

By Shelley Holmes (2217784)

What is Plagiarism?

"to steal and pass off (the ideas or words of another) as one's own : use (another's production) without crediting the source"

(Merriam-Webster, 2023).

What is Plagiarism?

"to steal and pass off (the ideas or words of another) as one's own : use (another's production) without crediting the source"

(Merriam-Webster, 2023).

“Plagiarism is the inclusion of any idea or any language from someone else without giving due credit by citing and referencing that source in your work” "

(University of Bristol, no date)

UWTSD Definition

“Presenting someone else’s work or ideas as the student’s own • Using another author’s work"

UWTSD Definition

“Presenting someone else’s work or ideas as the student’s own • Using another author’s work"

Self Plagiarism - "Submitting the same work that the student has already submitted for another assessment when this is not permitted".

UWTSD Definition

“Presenting someone else’s work or ideas as the student’s own • Using another author’s work

Self Plagiarism - "Submitting the same work that the student has already submitted for another assessment when this is not permitted".

Collusion – Working with others when the work is supposed to be done individually meaning the work submitted is not the students own work.

UWTSD Definition

“Presenting someone else’s work or ideas as the student’s own • Using another author’s work

Self Plagiarism - "Submitting the same work that the student has already submitted for another assessment when this is not permitted".

Collusion – Working with others when the work is supposed to be done individually meaning the work submitted is not the students own work.

False Authorship – When the work is completed by another and passed off as one’s own. (UWTSD, 2021, P.3).

SHOCKING FACTS

31 milliion students
may have paid for
essay writing services
(Newton, 2018).

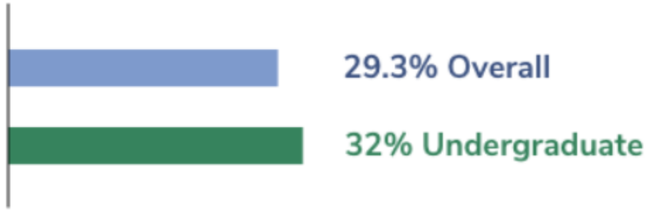

SHOCKING FACTS

60% of students have admitted academic dishonesty

In March 2020, ICAI researchers tested an updated version of the McCabe survey with 840 students across multiple college campuses. This work showed the following rates of key cheating behaviors:

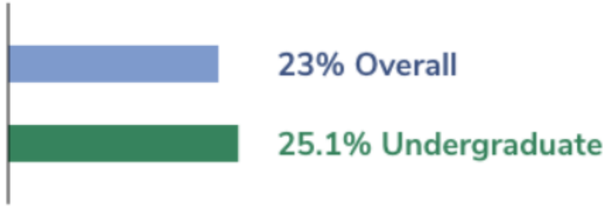

Cheated in any way on an exam

Getting someone else to do your academic work (e.g. essay, exam, assignment) and submitting it as your own.

Using unauthorized electronic resources (e.g. articles, Wikipedia, YouTube) for a paper, project, homework or other assignments.

(ICAI, 2020)
