

Validating a Microsoft Student Code

Creating an Azure for Student subscription is a three-step process.

1. Create a new Outlook.com email account
2. Redeem your Student Verification Code
3. Activate your subscription

Step 1: Create a new Outlook.com email account:

- Open a new **In-Private Browser** session and navigate to <https://signup.live.com> and create a new Outlook.com email account
- Add in the email address you would like to use - if the username is not available Microsoft will offer several suggestions
- Create a new password for the account
- Add in your full name.
- Add in your country/region and date of birth and validate using Captcha
- The account will be created
- Scroll down and select "open outlook.com"

Step 2: Redeeming a Microsoft Azure Student Verification Code:

- Open a new **In-Private Browser** session and navigate to: <http://aka.ms/azure4students>
It is recommended you close all browsers and open a new In-Private Browser session. Other logins can persist and cause errors during the activation step.
- Click the **Start Free** button to get started.

- Enter your account login information and select "Next".

- Verify your identity with a phone number

- Select verification method by Verification Code. Enter your 25-character verification code and click "Verify Academic Status".

- It may take up to 5 minutes to process the redemption.

Step 3: Activate your subscription:

- When the redemption process is completed, it will redirect to the sign-up page.
- Enter your account information and click the agreement check box and click the Sign-up button.
