# FEED THE HUNGRY

Kill the Hunger by Feeding the Hungry People of the Community.

There is no better way to help your community by feeding the less privileged people of the community to show kindness and support towards them, It will not only strengthen the bonds between the members of the community but it will also benefits the less privilege people.

Feeding the people will allow them to gain the nutritional value which helps them to work and to earn for themselves, which will eventually helps in the betterment of economic conditions of the community.

Help us by feeding the hungry people so that it will reduces the social unrest and helps in maintaining the social stability.
