30 Any comments?

Please use the space below to make any other comments about this module, particularly if you have registered satisfaction or dissatisfaction with any aspect of its delivery

Respondent	Response
Soledad Davies	I didn't need IT support during the module, so I do not have any comments on it.
Helen Floyd	I haven't answered some questions because either I neither agree nor disagree with them or they weren't relevant to me such as IT support which I didn't require for this module so I've no idea how good or bad it was.
Danielle Goldstein	I enjoyed this module and learned so much. Thank you!
Jayne Logan	Thoroughly enjoyed the module though it would have been helpful to have completed this one earlier in the MA.
