My Short Reflection

- Write 5–8 simple sentences about your digital life.
- You can use the sentence starters below if helpful.

I use digital tools to study, communicate, and stay organized.

I feel confident when I use simple apps that I know well.

I want to improve my skills with more advanced digital tools.

I often use these tools: email, browser, notes, and learning platforms.

I sometimes feel nervous about new software or complicated tasks.

I hope this module will help me become more confident and independent.

Digital skills are important for me because I need them for university and daily life.

Sentence starters

- I use digital tools to ...
- I feel confident when I ...
- I want to improve ...
- I often use these tools: ...

- I sometimes feel nervous about ...
