

Secure your first teaching position with Amethyst Education

Amethyst Education is a specialist permanent Education Recruitment business supporting 100's of NQTs each year secure their first teaching position. As an innovative business, we work in a different way.

We don't work from a list of vacancies, we work to the requirements of the teachers we work with meaning we are able to find you a school that matches your teaching philosophy, vision and values.

We work alongside a variety of schools that have a well-established and comprehensive NQT programme that will enable you to develop your skills and confidence in the classroom. All of which have the capacity to support you through one of the most crucial years of your teaching career.

Join our NQT Talent Pool today and secure your first teaching position for September.
