

Upbeat Positive pop album

- similar to our

[songs that pop album](#) we are looking for mainstream pop tracks (either instrumental or vocal)

- simple structure, simple melody ideas that are catchy and repetitive and a simple and driving drum beat.

- think upbeat, positive, clap your hands (in a non cheesy way), celebratory

- lyric ideas: anything to do with **community**

ie coming together, meeting, working together to achieve something, working as one, being as one, building a better world, better days to come, friends, good days, living in the moment.

Or

action verbs

so anything that relates to movement ie jump up, fly high, run, drive, walk, dance, get a move on, hit it, take it, move it, do it, pop it, shake it, work it, boogie, wiggle, let's go, get going, get to it. As

expressed in Jesse Saint John 'MOVE' <https://bit.ly/2Jk44Z8>

/ Daft Punk 'Harder Better Faster Stronger' <http://bit.ly/2S1QPPU>.
