Wonderful presentations and displays of photographs. - Kyle Erickson

Brilliant presentation - Grainne

Very enjoyable presentation - interesting and insightful objects on display - Matthew Cobb

THIS EXHIBITION IS VERY INFORMATIVE, ENJOYABLE, AND INTERESTING.

Interesting & informative; especially interesting was the letters by ex-servicemen & ~~da~~ Ledger.

Very informative exhibition. Excellent talks as well. I liked how the talks touched upon much wider topics such as the World War on the local community. Very good!

An extremely well presented talk with some interesting facts which made me think about education in the wider context of the local community. Excellent exhibition - hope you all get good feedback..... and good marks of course

A very interesting presentation. It was clear and the balance between the slides and student presentation allowed the information to follow a clear and transparent narrative. Well done!

An illuminating insight into the development of church education and how history is formed and formulated. Well presented by all involved and a springboard for future success.

This was a very informative presentation and discussion by all involved. The historical context and facts were exquisitely handled.

Interesting and engaging presentation, very well performed by the students. Overall a good subject and hopefully only scratching the surface of this history of education in Wales. Good choice of wine, much appreciated!

This historical & archival Presentation based upon 'Xstract Meaning' was an interesting Concept with much effort and leg-work clearly provided. The display of many documents and photographic evidence from the archives as well as your own Photographs from the locations Today works very well. In regards to the presentation, this Could of been fine tuned with a little more practice, keeping pace and perhaps the powerpoint worked really helped.

I believe this is a project that Could ~~of~~ ~~Learn~~ Learn further with perhaps a digital version.

My many Congratulations

Daniel Dalgarno

A fascinating exhibition, very well presented with excellent academic research and use of archival materials. A part of Ystrad Mennig's history I was not aware of (being familiar with the Medieval period). Well done.

Trevor Jose. M.Th. Medieval Church History

lots of good stuff enjoyed it very much. Well presented, and ~~excited~~ excibited. Good one.
☺ - BRONTË JENKINSON.

Fr. Timothy Pearce (attended YM for 2 years left in 1972 when it closed)

Thursday 23rd May 2013

A really interesting exhibition & presentation. Well done Marie, Scott, Zer and Hannah x2! ☺

Aoi Jenkins

GOOD Value I had a good time + learned Some new stuff :-

A. Kyle

Really interesting presentation. Lots of different topics brought in which helped to make it relevant to students from lots of different areas. Lots of fun!

Jessica Holdcroft

Brilliant, thank you! I knew nothing about Ystrad Mewig before today and it obviously has a very interesting history.

Lili Thier.

Very Interesting, learnt a lot

Peter Hunter

I know feel richly endowed with Welsh history! well done guys!

Rachael Bell ++

As an "old boy" of Ystrad Mewig I can confirm that the presentation did justice to the old college.

Mike Lewis 1966-1968.

Friday 24th May 2013

Very interesting presentation. well done

IZZY. P

Fascinating to learn more of the rich educational and cultural history of the area.

Dave Vernill

The exhibition and presentation have been put together brilliantly! Really informative and facinating, I had no idea that Ystrad Mewig existed and after this morning's talk it is clearly something everyone should know about! Well done guys!

Tara

Really interesting presentation with yet again a few new facts about Edward Richard and the college. Also a very friendly bunch of students who went out of their way to answer our numerous questions.

Celia Bailey James
Administrator
Cardiff Edward Richard
Ystrad Mennig

Very interesting, and very impressive work. We look forward to developments in 'the project'

Paul Westney
Cardiff Edward Richard
Ystrad Mennig

Sorry I missed the actual presentation, but after reading the slides and the transcriptions I can say you all did extremely well. Well thought out, interesting and knowledgeable exhibition and presentation.

Be proud of yourselves my friends :)

Ian.
