Learning Outcomes:

1. Demonstrate the essential skills required to be a resilient and successful independent learner.
2. Demonstrate an understanding of relevant literacy and practical skills related to a range of assessments.
3. Use suitable technology to support and enhance learning experience within Psychology.

Of the 12 MLAs, six of them relate to LO1; four to LO2; and two to LO3. For this assessment you are required to submit six MLAs, at least one of which must relate to each MLA. For example, you could submit two that relate to LO1, two that relate to LO2, and two that relate to LO3; alternatively you could submit four that relate to LO1, one that relates to LO2 and one that relates to LO3. As long as at least one submitted MLA relates to one LO it is up to you which you submit. Please remember to submit a brief statement for at least one MLA that relates to each of the LOs explaining why it meets that LO (see the assessment video recording for details).
