Practicalities:

- Your session is on **Tuesday 18th January 2022, 5 - 6pm**
- The session takes place via a Microsoft Teams Live Event - click the yellow button a couple of minutes before the start time to join
- You will be able to see and hear your trainer, but we won't be able to see or hear you
- You will be asked to **type in** feedback, ideas and questions throughout the sessions via the the Live Event Q&A, so try to watch via your own laptop or computer so you can easily interact with your trainer
- The session will last no more than 1 hour and is delivered by **the founder of Pyjama Drama**, Sarah Owen

What will I learn?

- That imaginative play can be delivered by anyone (even those with no drama experience, or who consider themselves to be naturally shy)
- To master two of our tried-and-tested techniques which we have been using with early years children across the UK **since 2005**, to boost well-being and develop key skills
- How to use these two powerful techniques to deliver an original Pyjama Drama game, 'Crocodile Bridge', that can be adapted to any topic

What will happen after the session?

- You will receive a training booklet, via your tutor, containing simple challenges for you to complete as you develop your new-found skills. Then, deliver 'Crocodile Bridge' in your placement setting
- We will invite you to join our online support group where you can meet other practitioners, ask questions, and share your experiences
- You can email your trainer for additional support at any time (sarah@pyjamadrama.com), and if you want to continue learning with Pyjama Drama, we will let you know how!
