Typography

Your are required to create and deliver a:  
**3 minute presentation**

or

**3 minute video (or animation)**

about any of the subjects we have covered in the  
lecture series.

Your presentation should be about  
**your** thoughts,  
**your** research and  
**your** understanding of the subject.

You can support any of the subjects covered or challenge them (agree or disagree).

**There are NO wrong answers or responses.**

Everything is valid.

We are interested in **YOUR** opinions, ideas and understanding of the subject you choose to discuss.

You just need to choose 1 subject and deliver a:

**3 minute presentation**

or

**3 minute video (or animation)**

about the subject you have chosen to research.

You will be asked to present this via Teams to the group during the final week of study.

Wednesday 2nd June (or)  
Friday 4th June

(This gives you just over 4 weeks to prepare.)

Keep it simple.

Provide your own point of view.

Share your own thoughts on the subject.

Use words, pictures, diagrams, animations, videos, drawings, or any combination.

This is NOT a test.

This is a \*seminar where we all share ideas and where all ideas are valid. It will be informal and friendly.

\*Seminar: a class at university in which topics are discussed by a teacher and group of students.

I very much look forward to seeing your presentations! 😊
