Using Twitter as your PLN: Part 1

Slideshare July 9, 2010

Authors: Julia Ault

Part 1 Building the Toolbox

A practical guide (shown in step by step detail with screenshots and examples) to setting up your own PLN using Twitter and HootSuite - a web-based application designed to aggregate your social networks.

Follow this 6 step program:

Create a Twitter account

Create and Follow Twitter Lists

Create a HootSuite account

Import your social networks into HootSuite

Create tabs and streams of content

Join in – Start Tweeting!

Using Twitter as a PLN Part 2

Slideshare January 31, 2012

Authors: Julia Ault

Part 2 Building Online Relationships

In Part 1 we learned how to build the toolbox

In Part 2 we shall look at how to use the tools effectively to develop your Personal Learning Network (which can also be thought of as a Community of Practice within your chosen field) and to build meaningful online relationships with your PLN

5 people have recommended Julia

"I have had the pleasure of working alongside Julia for well over a year now. Julia's enthusiasm for her specialism is infectious. She is at her happiest pushing the boundaries of her current knowledge and adopts new technologies with ease. As you can imagine, this fits in well with her role here at the University."

— **Nick Samuel**, *Workforce Development Teaching Fellow, University of Wales: Trinity Saint David*, worked directly with Julia at University of Wales Trinity Saint David

"Julia is always cheerfully helpful, and I have found her to be a great resource in navigating me through the unfamiliar - and often murky - waters of the blackboard (and other) systems... A valued colleague"

— **Willem Krouwel**, *Senior Lecturer in experiential and outdoor education, Trinity University College, Carmarthen*, worked with Julia at University of Wales Trinity Saint David

"I am happy to write a recommendation for Julia, who has in her time at Trinity and with the Gwella project made a valuable contribution both locally for her institution, and nationally to Technology Enhanced Learning in Wales. Her enthusiasm is boundless, and her input always valued."

— **David Lewis**, *Blended Learning Manager, University of Glamorgan*, was with another company when working with Julia at University of Wales Trinity Saint David

"Julia is an enthusiastic and committed specialist in technology-enhanced learning and a pleasure to work with"

— **Paul Bacsich**, *Director, Matic Media Ltd*, worked directly with Julia at University of Wales Trinity Saint David

"Julia is highly effective in her role as learning development officer at Trinity Saint David. She is an enthusiast for learning technology, especially the application of Web 2.0 tools in HE and she has the priceless ability to enthuse others. She is a good communicator who translates her positive attitudes into action in an impressive way."

— **Terry Mayes**, *Critical Friend, Enhancement Academy*, was with another company when working with Julia at University of Wales Trinity Saint David
