Reality

I must already know
everything before
I come to class.

If I make a mistake,
I will fail.

Myth or Reality?

I should not
ask questions.

Myth or Reality?

Everyone else
understands
more than me.

I must work alone
all the time.

Myth or Reality?

I will do all my
learning in class.

Myth or Reality?

I need perfect English
to succeed.

My tutor will be angry
if I don't understand.

Myth or Reality?

Only young students
do well at university.

Myth or Reality?

If I have work or caring responsibilities, I can't succeed.

Myth or Reality?

University courses
don't have homework.

Myth or Reality?

My lecturer will tell
me everything I need
to know, I just need
to listen.

Myth or Reality?

University is
for all ages and
backgrounds.

Myth or Reality?

Asking questions is
normal and expected.

Myth or Reality?

Learning happens
step by step.

Myth or Reality?

Group work helps
everyone learn better.

Myth or Reality?

Mistakes are
part of learning.

Myth or Reality?

Support is available
when I need it.

Myth or Reality?

My tutor wants me to
improve, not be perfect.

Myth or Reality?

I can succeed even
with work or family
responsibilities.

Myth or Reality?

My experience from
work, parenting,
community, or life
matters here.
