# SENSE OF PLACE

is about how well we fit but, more importantly:

**"places are where our biological needs are met" (Tuan, 1977)**

**How free we are to be ourselves**

**Home is an example of place**

A black and white photograph of a valley with a small village in the distance, overlaid with the text 'HOW DOES SOCIETY & REGENERATION INFLUNCE PLACE?'. The image shows a wide, open landscape with rolling hills and a small cluster of buildings in the valley floor. The text is centered and written in a bold, white, sans-serif font.
