INDIVIDUAL PROJECT BRIEF AND ASSESSMENT CRITERIA

Project Task:

- Analysis and exploration of the role of a Scenic Artist & Set Dresser for *'Earthquakes in London'*
- Work with the Director, Stage Manager, Production Manager and Designer to fulfill the production.
- Project will include all necessary paperwork associated with these roles and documentation of the process.

General Aims:

- To enable students to pursue an in-depth investigation into an aspect of theatre design or production of the student's choice.

Learning Outcomes:

In marking your work on this module your tutor expects you to:

- Investigate the chosen subject in a way which synthesises theory and practice in an appropriately specialised manner, and which draws upon knowledge and skills acquired in other areas of the programme;
- Critically appraise dramatic principles or production practices, through research and critical reflection;
- Display a range of design/production skills and techniques to an appropriate standard;
- Demonstrate creative and critical exploration of your chosen study area.

Timetable
