

Mental Disorders and Psychopathology - BMHP6006

Debate /Blog

Debate and Supporting Paper

This is a debate which will be open throughout the duration of the module. You should aim to contribute AT LEAST five entries and ensure you reference each entry. You should try to respond to each other as well as give your own opinions. With at least one response to another blog .

The debate is entitled:

How will Covid-19 impact mental ill health moving forward? And what can be done to support?

Please use the attached form to record your Blog entries and record references . You can then upload the form to Turnitin when completed all the entries and references and ready to submit, thanks

Name : Simona Gianina Hascec

Student Number : 2117559

	Title	Date of Entry
Blog Entry 1	A brief examination of anxiety disorders among school students amidst the COVID-19 pandemic	19/04/2024
Blog Entry 2	Understanding the effects of the COVID-19 pandemic on People Living with Dementia: Insights and Recommendations	01/05/2024
Blog Entry 3	Unveiling Nurses' Burnout: Insights from the COVID-19 Frontlines	01/05/2024
Blog Entry 4	COVID-19's Long-Term Effects on Mental Health and Well-Being	01/05/2024
Blog Entry 5	Understanding the Impact of COVID-19 on Children's Sleep: Challenges, Opportunities, and Seeking Support	01/05/2024
