MAJOR NUTRITION
NO LONGER A MYTH

At Major Nutrition we are striving to become one of the market's leaders in the sports supplement industry. We have the goal of launching the line of MuscleMeds and MyProtein off the top spot and taking their crown.

We aim to deliver customers with the best quality supplements and innovative products to help them achieve their fitness goals.

Working up with some of the best graphic designers and marketing experts in the country we aim to revolutionize the look and feel of the brand and its identity.

Working with a Greek god style theme to Major Nutrition we want to inspire all athletes to want to become their own Greek gods and show that achieving great things is "no longer a myth".
