Name	
Organisation	

Question one (Background : Role in relation to.....):
1. Please could you outline the Spectrum project and the role you play as School liaison officers
Question 2 (Delivery of Project) ;
2.1 Could you describe how you engage with schools and organizations to deliver the spectrum project. (prompts, how to you choose which schools to attention, do you target certain areas, or is based on first come approach)? Subjectivism: Prompt = could you explain that in a bit more detail please? What do you mean by xxxxx?
2.2 How is the spectrum project delivered in a school (Prompts, who is responsible? How many sessions are delivered? What teaching strategies do you use? Is it delivered flexibly depending on the year group?)
2.4 Are you are aware of other similar programmes that are delivered in schools? If so, how would you compare these to the Spectrum project (prompts, e.g are the aims the same? What are the differences in the content and delivery of the programmes)?

--

Question 3: Impact of Spectrum Project

3.1 What do you believe are the positive outcomes for young people as a result of engaging in the Spectrum project?

(Prompts... do you think it makes a difference to their awareness of domestic abuse and what ways?)

**3.2 Can you tell me about any examples of positive outcomes for Young people as a result of engaging in the spectrum project
(prompts) examples of where awareness has been raised or it has made a difference to a child/ young person)?**

**3.3: are there any wider impacts you can think in relation to the spectrum project
(prompts, e.g. does it help to address issues of positive relationships that may influence other PSE objectives in and beyond school)?**

Question 4 (wider reach/ areas for improvement)

**4.1 From your perspective do you think the Spectrum project could be improved upon in any way? If so in what ways?
(prompts delivery, impact, reach.....)**

4.2 how well do you think the Spectrum project links with current Welsh Government Policy on Domestic Abuse,

4.3 How well do you think the spectrum project addresses issues faced by young people today?

5. Please outline any other comments you would like to make in relation to the spectrum project.

Many thanks for taking the time to be interviewed.
