Page 1: Analysing the internal and external factors affecting female participation in football in Wales

Q1

What age did you first participate in football?

5 or below

Q2

What encouraged you to get involved in football?

Competitiveness

Q3

What motivates you to continue to play football?

Social

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

Yes, injury

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

Rugby, new experiences

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

Football festivals

Q7

The organisation of women's football in Wales has improved since you first participated in it

Strongly agree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes Because many people believe that it is a men's sport and that women should not partake in men's sports

Q9

What would you like to see done in the future?

It to blossom into a more supported game and that the popularity encourages higher wages and more publicity

5 or below

Q2

What encouraged you to get involved in football?

Family

Q3

What motivates you to continue to play football?

Interest in sport

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

No

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

No

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

I'm not aware of anything specific

Q7

The organisation of women's football in Wales has improved since you first participated in it

Strongly agree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes

The general consensus that women's football isn't as good as men's. A lot of people still seem to think football is not a sport that women should be getting involved with.

Q9

What would you like to see done in the future?

More active participation within the grassroots game. More league/FAW representatives to attend games for higher age groups.

Page 1: Analysing the internal and external factors affecting female participation in football in Wales

Q1

What age did you first participate in football?

6-9

Q2

What encouraged you to get involved in football?

Interest in sport

Q3

What motivates you to continue to play football?

Interest in sport

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

I stopped playing about 11 because I played for the boys team for about 5 years and my time was up. I then found a girls team.

I then stopped when I was about 13 because I was living in Pembrokeshire and my family didn't drive so I had no transport.

Then I joined a club in Haverfordwest but because of short numbers they were forced to quit.

Then I joined Aberystwyth I played for a couple of weeks then had to quit because I had moved house all the way to Newport!

Now I am joining Briton ferry :)

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

I played rugby 7s in London Roslyn park and for the college

I have played tennis out of college and school in tournaments coming first in some.

I played hockey sometimes in games to help my friends.

I used to be 2nd best in wales at shot putt and 3rd for discus and then 4th for hammer throw when I was part of Pembrokeshire harriers.

I love all sports

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

Not sure

Q7

The organisation of women's football in Wales has improved since you first participated in it

Agree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes

Not many people will be interested in the women sports it doesn't really interest them unless it's something like the olympics. When it comes too football, rugby etc it's all about the men.

Q9

What would you like to see done in the future?

Women's sport more on telly and being advertised a lot more.

Page 1: Analysing the internal and external factors affecting female participation in football in Wales

Q1

What age did you first participate in football?

6-9

Q2

What encouraged you to get involved in football?

Family

Q3

What motivates you to continue to play football?

Interest in sport

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

Respondent skipped this question

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

Yes, lots of different sports such as rugby and netball during school

Q6

Are you aware of any initiatives that encourage women's participation in football? If yes, what ones?

No

Q7

The organisation of women's football in Wales has improved since you first participated in it

Strongly agree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes Because women's football still isn't televised as much and the number of female footballers known is still quite low

Q9

What would you like to see done in the future?

Greater inclusion of female football in the men's game

Page 1: Analysing the internal and external factors affecting female participation in football in Wales

Q1

What age did you first participate in football?

6-9

Q2

What encouraged you to get involved in football?

Interest in sport

Q3

What motivates you to continue to play football?

Friends

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

I stopped for a period last year due to my coach as she put me off it, she wasn't encouraging and made me not enjoy playing. But my friend convinced me to come back as there was a new much better coach so I did and have played ever since

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

I played hockey for a bit in school but only because it was the closest to football and they didn't have a girls team

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

Respondent skipped this question

Q7

The organisation of women's football in Wales has improved since you first participated in it

Agree

Q8

*Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that "Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes

I think people assume guys are always better than girls

Q9

What would you like to see done in the future?

More women football advertisement in sports shops etc

What age did you first participate in football?

6-9

Q2

What encouraged you to get involved in football?

Family

Q3

What motivates you to continue to play football?

Fitness

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

1 year for educational purposes

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

No

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

Fitness, competition,

Q7

The organisation of women's football in Wales has improved since you first participated in it

Agree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes

Men think that football is a men's game & their opinions won't change as the standard of football from women isn't on the same level as men

Q9

What would you like to see done in the future?

More media attention for the women's game, games played on prime channels & prime times. More funding and equal pay for the players / clubs

Q1

What age did you first participate in football?

14-17

Q2

What encouraged you to get involved in football?

Interest in sport

Q3

What motivates you to continue to play football?

Social

Q4

Did you stop playing football at any point? if so, why? (ie: Time, finances, work, education)

I left school and started to focus on my college studies instead. Haven't played football properly since.

Q5

Have you ever played/participated in any other sport? If yes, what and why did you participate in it?

Netball

Q6

Are you aware of any initiatives that encourage women's participation in football? if yes, what ones?

To prove that football isn't a masculine sport and that anyone can enjoy playing it.

Q7

The organisation of women's football in Wales has improved since you first participated in it

Neither agree nor disagree

Q8

"Research tells us that there are still pretty old-fashioned stereotypes around women's sport in general and women's football suffers from that" Do you believe traditional stereotypes and prejudices still exist? Please explain why.

Yes

Football will always been seen as more of a masculine sport because of the stigma around it. Women aren't encouraged to play it as much as men are either

Q9

What would you like to see done in the future?

Mixed teams of males and females and more encouragement of women to pursue their ideals
