Comments:

Studies with measles is this different to meningitis

- You have also used Excel - would you compare the processing power of this against Mapinfo?

- Why do you think meningitis is different in terms of the need to research?

- Patient confidentiality

- Survey Students we have then had the vaccine

- How valid is the data?

• Effective project outline and presentation of aims. Good confident presentation

• Effective explanation of bacterial meningitis

Validity of data question need to review this
