

Jericho Burials

Examine the attached images carefully

1. How big/deep is the tomb?
2. How many burials are there in your tomb?
3. Were the burials made at the same time?
4. Is the burial practice here primary, secondary or both?
5. How might be reconstruct funerary ritual in the tomb – what stages can you observe from the tomb plan?
6. Which grave goods belong to which burial? (Relate these to the attached images ogf grave goods from the tomb – which are numbered)
7. What types/range of objects accompanied the burials
