

IG II2 1606. From Athens. Dated to 374/3 BCE.

A few notes: the inscription is fragmentary (but not terribly). Where the text is not readable, I have put in ...

Text:

...great yard-arms;... thranitic oars, of which 6 are not up to standard; ... zygitic oars, of which 6 are not up to standard; 50 thalamian oars, of which 4 are not up to standard; 30 extra oars.

Trieteris; the trierarch is Hyperanthes of Acharnae: this ship has no equipment.

Ship captured by the troops under the general Timotheos: this ship has no equipment.
