

Risograph Project

Caroline Jones

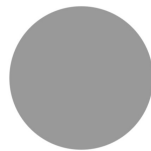

Risograph

- Quality printing
- Special inks, eg: Fluorescent
- Similar to silk screen printing due to the nature of how Riso works
- Artwork created as “silhouette” vectors
- Artwork needs to be set up as layers
- Artwork can be set up as solids or tints

Risograph

- Prints one colour at a time
 - Multiple colour cartridges can be used
 - Overprinting, by re feeding paper through
 - Achieving unexpected effects and unique outcomes
-
- See “Riso Me” guide

Personal Branding

- What motivates you?
- What do you stand for?
- What inspires you?

- Task

Personal Branding

Create a unique personal brand, it Can be:

- Logo/Symbol/Identity/Avatar/Image/Quote

Avatar /vector graphic/

Vector Image

Vector Tutorial

<https://helpx.adobe.com/illustrator/how-to/minimum-vector-portrait.html>

Power of words/quotes

“

All our dreams can come true if we **have the courage** to pursue them.

Power of words/quotes

Power of words and image

**“Personally,
I love a great
love story.”**

Personal Branding Riso Project

Part (1)

- Create a personal brand using Adobe Illustrator:
 - Generate lots of varied ideas for your **unique** personal brand...(whatever you decide it will be)... on paper first BRING NEXT WEEK
 - Develop the best ideas further
 - Create Adobe Illustrator separated artwork for your brand

Personal Branding Riso Project

Part (2)

- Using your branding (Illustrator separated artwork) create a series of Risograph prints, exploring the process and experimenting with colours and Riso effects
- Book slots with Riso technician
