SHORT,ROMANCE DRAMA YOUNG-ADULT FICTION

SYNOPSIS

When SIERRA was seventeen-year-old, she couldn't help but fall instantly in love with ALPHA.

Popular, smart, and intensely good looking, ALPHA seems to have it all. However, ALPHA doesn't even seem to notice SIERRA. He's too busy living the life to notice the affections of a shy bookworm.

Fueled by her heartbreak, SIERRA embarks on a journey of self-discovery and pursues her passion for dance.

Many years later, she finds herself crossing paths with the very man who stole her heart and the chemistry between them is instantaneous. She finds her feelings creeping back to the surface. Yet, part of her is afraid to take the chance.

ALPHA is determined to win her heart and together they discover the magic of love, trust and friendship.

AIM

Sometimes love is a bumpy road – and in “Out of the Blue” we’ve got a girl, SIERRA, telling us her story. She goes through plenty of twists and turns yet she never gives up in her pursuit to find the right guy. When she least expects it, the man of her dreams walks into her life

This story shows us that life presents us with opportunities when we least expect it. This story also aims to capture the beauty of falling in love, an experience that most can relate to.
