- Make opportunities

What skills you need to be a farm manager ?

- *Marketing and sales skills*
- *Knowledge of how to run a business*
- *Initiative*
- *Flexibility*
- *Knowledge about animals*

What skills I have and what can I improve at myself for my future careers

Skills I have

- *I know how to work with animals and I love it*
- *I have knowledge about farm machinery*
- *Skills about customers service*
- *Punctuality*
- *I'm flexible*

Skills I need to improve

- *Skills about soil, cereal and plants*
- *How to deal with the weather factors*
- *Agriculture and maternity for animals*
- *Knowledge of how to run a business*

SWOT ANALYS

- Strength: own land ,family support ,possibility to extend ,no competition
- Weaknesses: lack of knowledge, no farm equipment, not enough finance
- Opportunities: funding , future contactors in restaurant business and big retail markets
- Treats: animal disease, weather conditions, law, pandemic situations
