

Marxism

Student number 180431

This presentation will describe marxism portrayed by
Karl Marx.

What is Marxism???

-
- Political, social and economic philosophy.
 - Capitalism, productivity, labor and economic development.
 - The struggle between social class and the workers
 - Has social and political ideologies so is different to Marxian economics brought forth by Karl Marx.

Change the economic base and
you will change human beings.

~ Karl Marx

Sociology theories

- Marx looked into class struggle
- The conflict between the rich and the poor
- Wealthy factory owners having power over the poor
- Working class being replaced by classless society
- End of capitalism with economic change

Accumulation of wealth at one pole
is at the same time accumulation
of **misery, agony of toil, slavery,
ignorance, brutality, mental
degradation**, at the opposite pole.

– *Karl Marx*
