**Note Taking**

- Good note-making...**
- enables you to avoid unintentional plagiarism
  - helps you to focus on what is important in what you are reading or hearing
  - helps you to understand and remember material, and make connections
  - helps you to structure the assignments you're researching
  - provides a personal record of what you've learnt (more useful than your lecturer's or friends' notes) and records your questions and ideas
  - sets you up for exam revision
- (University of Reading, 2021, p. 1)
