Security Operations Manager / Deputy Head of Security

Salary: £55,000

Location: Central London

Hours: Monday to Friday (50 hours a week)

Are you a security management professional with a talent for people management and customer care? Would you like to lead the security team at a luxury 5-STAR Central London location?

This role will see you provide operational leadership to a dedicated security team. Prior experience of managing security teams in a 4/5-STAR Hotel, luxury residential apartment complex or commercial estates environment is essential.

Applicants should meet the following criteria:

- Experience managing the delivery of operational security in a 4/5 STAR Hotel or luxury residential apartment complex or commercial estates environment is essential.
- A positive people manager with the ability to lead and develop staff
- First class customer care skills with a passion for service excellence.
- Experience implementing security strategy and policy – SOP's etc.
- Experience of positively engaging and influencing senior stakeholders
- SIA license holder

Key duties and responsibilities will include:

- Manage the delivery of site security ensuring a 5-star service is delivered to guests, visitors and staff.
- Conduct and monitor staff appraisals and encourage further development
- Staff training and development
- Ensure that contract SLA's and KPI's are met and exceeded
- Rota management
- Implementation of policies, SOP's, AI's, emergency preparedness etc.
- Incident management and response
- Safeguarding of various assets to include people, buildings and information
- Assist with the long-term strategic planning of the security function
- Oversee the operation of security systems
- Cross functional working with the Property and Facilities teams.
- Conducting risk assessments and threat analysis across the estate

PERSONAL SUMMARY

I am a confident and motivated individual with experience as a sales assistant, providing friendly and helpful customer service. I offer personalised advice, handle cash responsibly, and operate basic tools safely. I also have some experience in the security field. I work hard to keep stock organised and ensure items are replenished on time. I care about customer needs, have strong product knowledge, and complete my tasks to a high standard. I enjoy supporting my team and always look for ways to improve. I am ambitious and hope to own my own business in the future.

EXPERIENCE

Luxury car rental, West London — Rental Sales Agent

Apr 2022 - Jul 2023

Business owned by my brother. The tasks that were dedicated to me were picking up calls, giving clients advice, giving customers a variety to choose from in their price ranges and managing vehicle conditions coming in.

Skyes Marketing Ltd, Slough — Sales Representative

Aug 2022 - Sep 2022

The tasks that were dedicated to me were to pitch products to potential consumers or introduce new products to existing customers to improve the sales. The skills I gained are my people skills and customer service.

Heathrow distribution center , Langley — Distribution Inspector

Jul 2023 - Jan 2024

The tasks that were dedicated to me are to check packages for any damages or suspicious packs and also sort packages label them properly according to the desiccated country or center.

H&D recruitment, London — Door Supervisor

May 2025-Present

Working at this recruitment has allowed me to work in big events such as West End live and many more big event and also other venues such as hospities offices and many more

Merlin Attractions , Staines — FOH Security

Jun 2025-Oct 2025

Working security at Thorpe Park has enabled me to gain lots of security skills such as speaking on the radio using IC codes and speaking in the phonetic alphabet pat downs on guests and bag searches and also enhanced my communication skills.

Momentum Security Recruitment

Dear Mr/Mrs/Miss/Ms

I am applying for the Security Manager / Deputy Head of Security role advertised with Momentum Security Recruitment. My CV is attached for you to review. I have over 1 year's experience working in security, plus strong skills from other jobs. I believe my practical knowledge, good work ethic and focus on doing things properly make me a great fit for this position. I currently work as a Door Supervisor for H&D Recruitment and K4 Security. I also worked as Front of House Security for Merlin Attractions. My duties include:

- Working safely and professionally at events, venues and public sites
- Carrying out checks, searches and following all rules and safety steps
- Using correct radio terms and clear communication
- Being polite and helpful to all visitors and staff

I have learned how to keep people safe while giving good customer service. I can follow instructions well, spot possible risks, and work calmly even when busy. I also have experience in customer service, checking items for problems and organising work from my earlier jobs. I hold a valid SIA Door Supervisor licence, and I am keen to take on more responsibility.

I am hard-working, reliable and a good team player. I can adapt quickly to new sites and standards, and I always aim to do my best. I am confident I can help Momentum Security Recruitment keep its reputation for providing trusted, high-quality staff. I will work hard to support your client with consistent, reliable work.

Thank you for reading and considering my application. I hope to speak with you soon about how I can help.

Kind regards ,

Maiwand Asifi
