- 1) How does the approach in England differ from the organisational structures in NHS Wales and social care in Wales?
- 2) What advantages and disadvantages do you see in either approach? (from a care perspective and/or an informatics perspective)
- 3) Has NHS England given sufficient attention to the need for Integrated Care Records (ICRs) to support Integrated Care Systems (ICSs)? What else is needed? Compare this with your experience of shared care records in Wales or elsewhere.
