There is no better way to develop your knowledge of a country than to go see it. By far, the best part of my uni degree is the amazing trips we get to go on. Follow me on Instagram via #snapbooktravels as I travel across France and Switzerland. #tourismontour #theworldsourlecturetheatre #UwtsdSotah

OMG Dave. The conditions were just perfect. They had a good drop of snow the day before we arrived so everything looked postcard perfect. Blue skies, the sun shining and fresh mountain air. I can't wait to go back. skiing, parachuting off the side of a cliff and zip wiring are on my to-do list. When and where is your next adventure? 🇨🇭 🤔

Our recent #EuropeanFieldStudies trip with university #UwtsdSotah has left me mesmerized as we travelled by train through some of the most scenic parts of France, Switzerland & Geneva. Our itinerary included: Paris, Montreux, Interlaken, Lauterbrunnen, Bern, Lausanne, Geneva. I totally recommend doing this itinerary by train and for anyone looking to experience some of the most idyllic scenery in the world. I can't wait to take the family on this journey. It's simply magnificent!!! #greatrailjourneys #interrail #goldenpass #traintourism #nichetourism #getswissed #lauterbrunnen #theworldsourlecturetheatre #bringingthelearningalive

We've gone to Spain , Eurostar to Paris, then on to to Spain, it's the best way to travel. Even done an over nighter, sadly this has been discontinued xx   2

Its definitely the best way to go **Carol West** I don't often travel by train except to commute from A to B. But some journeys just have to be done by rail. The itinerary we did was just beautiful. p.s. shame about the overnighter being discontinued 😞 .  2
